

Rayat Shikshan Sanstha's

Karmaveer Bhaurao Patil College of Engineering, Satara

Department of Artificial Intelligence & Data Science

Safety Measures Available in the Department

1. Fire safety measures like fire extinguishers, and fire alarms.
2. First aid kits and medical emergency equipment.
3. CCTV cameras to monitor the premises and ensure security.
4. Safety guidelines and protocols displayed in prominent locations.
5. Earthing: All electrical equipment and devices in the department are connected to a grounding system, which ensures that any excess electrical charge is safely dissipated into the ground, minimizing the risk of electrical hazards.
6. Regular safety training for staff and students.
