To,
The Principal,
K.B.P. College of Engineering , Satara.

The students listed below were working on a project in our Industry. The work of this project began on 15 June. Their project was to design and manufacture an E-Rickshaw for industrial purpose in a price lower than that of market thus providing a low cost alternative for the current need.

The Project came to conclusion and the industry is satisfied with the result. College should motivate students to carry out such projects in future as they help in the development of students.

The fabrication, trail and launch Phases of the project began on 1st December 2016 and ended on 19th February 2017. The flag off of their Project was scheduled on 19 February 2017.

The students worked on their project all day due to which as expected their project concluded quite early. The college authorities are requested to consider this point and help the students complete their further work.
