## Gender Sensitization Action Plan

KBPCOE, Satara believes in the principle of equality and inclusivity. The institute is committed to create a healthy environment that enables students and staff to learn and work without any fear of prejudice, gender bias and gender discrimination. The average percentage of women staff members and girl students in the KBPCOE is above 50 percent which is quite encouraging. Most of the women staff members are representing major administrative posts as well as representing various institute level committees. Institute also shows gender sensitivity and ensures women safety by forming Women Grievance Cell and Internal Complaint Committee which ensures Gender Sensitization, Prevention and Prohibition of Sexual Harassment of Women Employees and Students.

Gender sensitization is the basic requirement to understand the sensitive needs of a particular gender, be it female, male or transgender. It helps us to examine our personal attitudes and beliefs and question the realities that we thought we knew. As the college has a multi-lingual, multi-religious student mass, the importance of using gender sensitive pedagogy is a must. Teachers are strategically positioned to act as agents of change in order to achieve gender equality, especially through what they teach, how they teach and how they role model their concerns, attitudes, beliefs and practices in the classroom and beyond.

A gender sensitive environment enables girls to maximize their potential as it builds self-respect, confidence and self-esteem. The institute's observances and extension activities are designed to cater to these needs and various committees are formed and cooperation between staff and students is encouraged. The institution promotes gender equality through various policy initiatives undertaken for providing equal opportunities to staff and students. To fulfil these objectives, KBPCOE has developed and implemented a well-planned inclusive strategy as mentioned below.

The Institute takes following measures to practice gender equality-

- ❖ Security checkpoints at campus entry and exit.
- ❖ 24x7 functioning surveillance network.
- ❖ Separate girls' and boys' hostels with dedicated wardens.
- ❖ Strict implementation of Anti-Ragging policy.
- ❖ Awareness campaigns on women safety and gender sensitivity through seminars.
- ❖ Orientation programs and camps by NSS, ICC etc. through student volunteers.
- ❖ Celebration of International Women's Day
- ❖ Awareness on Sexual Harassment
- ❖ Health Awareness Program
- ❖ Exposure to internship drives offered from industries
- ❖ Counselling facility is available for all students irrespective of gender.
- ❖ Dedicated Faculty mentors are allocated for every batch of twenty students.
- ❖ Grievance Redressal Committees for staff and students.
- ❖ Ladies and gents' doctors on the campus
- ❖ Separate common rooms are allotted for girls' and boys' students
- ❖ Encouraging students to participate in extra-curricular activities including competitions organized by the college and other institutions
- ❖ Sanitary napkin-vending machines are installed in front of washrooms
- ❖ Giving opportunity to students to participate and to represent the college in SAKAL's Young Inspirators Network(YIN)
- ❖ The Committee of Internal Complaints which is an all-encompassing committee to look into the problems, grievances and complaints of the students, the teaching staff and the non-teaching staff, plays an important role in ensuring equal opportunity for all and resolution of grievances with utmost care and confidentiality.
