i. Organizational chart

ii. Grievance Redressal mechanism for Faculty, staff and students

Regular meetings of the faculty are conducted in each department under the chairmanship of the respective HOD's. The problems, if any, faced by the faculty regarding the administrative and academic grievances are discussed in the meetings and the concerned HOD's try to redress these grievances at the departmental level and sometimes may refer the matter to the Principal depending upon the gravity of the problem.

The grievances of the staff, if any, are referred to the Registrar and the Principal with a view towards their Redressal. The grievances of the students are tackled by Mentor- Mentee system with a faculty member working as a mentor for about 20 students. The academic problems faced by the students are tackled by the respective subject teachers in consultation with HODs. If any other problems of the students are made known to the college management through the suggestion boxes and remedial measures for the Redressal of these grievances are taken at the proper level.

Mechanism/ Norms and Procedure for democratic/ good Governance

While providing all the necessary facilities to the students, faculty and staff, the system takes care of procedures and good governance for overall improvements in Teaching – Learning process, Administration, infrastructure and facilities of the institution feedback from Students.

To take care of these, following are the committees appointed for various purposes:

1. Anti-Ragging Committee
2. Grievance Redressal Committee
3. Committee for SC/ST
4. Internal Complaint Committee
5. Internal Quality Assurance Cell

Financial support is provided to faculty and students for participation in Competitions, conferences and Faculty Development programs etc. Special efforts taken in the field of research, social causes etc. are recognized by the institute. Academically weak students are supported by offering remedial coaching in the departments and providing special attention. Suggestions boxes are kept at easy-to-approach places in the campus. Suggestions received in the boxes are sorted out and passed on to the respective committees. Even anonymous suggestions are attended by respective committees.

Institution frequently updates its IT facilities including Wi-Fi

IT infrastructure is an essential pillar of the institute to support academic and administrative services. To cater to the volume and speed of services updating the IT infrastructure is unavoidable.

- Institute makes provision in the financial budget every year for adding recent computers and software to support updating of IT infrastructure.
- Computers are updated from dual-core computers to core i3 and further added core i5 computers from time to time. Currently, the institute is having 868 computers and laptops with it. The computers are well networked to provide intranet and internet facility.
- The computer network is supported with Dell Xeon3.03GHz and HP Xeon 2.02GHz Servers, Windows 2008 server OS further updated to robust open-source Linux based CentOS7 operating System.
- More than 868 computers, are networked in LAN and are supported with internet bandwidth updated from 75 Mbps to 100 mbps, through OFC. Besides, separate internet connectivity, through 25 Wi-Fi hotspots, provides Wi-Fi connectivity 24x7.
- All the classrooms are equipped with projection systems to enable projection of presentations, videos etc.
- All the IT infrastructure is provided with software support that is updated from time to time. System software is updated from Linux-Ubuntu, Windows to open source Ubuntu 19 and Windows 10. The server is updated from windows server 2008 to robust Linux based CentOS7.
- Tally ERP 6 software used for accounting is updated to Tally ERP 9 release 6.4.8 in 2018 with latest supports.
- Institutes office is supporting students through dedicated ERP software since 2013 is further updated with additional features in 2018.
- Institute provides library support through Libreria website <http://libreria.org.in/KBPCOELIB> satara and institutes FTP server. The FTP server was available only through intranet and now updated for internet access.
- The 107 CCTV surveillance facility was installed & Maintained
- The laboratory application software like MATLAB, ANSYS, Quartus-Prime, PROM, Altera / Intel, Cut milling View, Festo hydraulic and pneumatic, Bandicam etc. are installed with the updated version.
- FreeOpen Source Software (FOSS) learning facility in collaboration with IIT Bombay. It is further upgraded to provide NPTEL courses by setting up NPTEL local chapter. Learning of MOOCs and Swayam courses is also facilitated at this center.
- A dedicated language laboratory upgraded with the latest computers and software in 2017 that facilitates language learning interface.
- The Virtual Laboratory is set up with the latest computers and supporting software, that facilitates remote access to equipment at national level laboratories for experimenting.
- Institute has its website www.kbpcoes.edu.in updated time to time with recent updates on site.
- Independent IT cell maintains the IT Infrastructure and updates it suitably.

2. Computer Vision
3. Data Analytics Lab
4. Deep Learning & Neural Network Lab
5. Machine Learning Lab
6. Programming Lab

xv. Innovation Cell:

Institution's Innovation Council (IIC) in collaboration with AICTE to systematically foster the culture of innovation and start-up ecosystem in education. The Institution Innovation Council (IIC) conducts various activities as per the **IIC Calendar** for faculty, students and staff to promote various innovation and entrepreneurship related activities.

Major focus of IIC

- To create a vibrant local innovation ecosystem and start-up supporting mechanism in the institute.
- Prepare institute for Atal Ranking of Institutions on Innovation Achievement Framework.
- Establish Function-Ecosystem for Scouting Ideas and Pre-incubation of Ideas.
- Develop better Cognitive Ability for Technology Students.

Sr. No.	Name of the Member	Role in IIC
1	Dr. Shabina Modi	President
2	Dr. Sunita Mane	Convener
3	Dr. Shahin Shaikh	Vice-president
4	Dr. Popat Patil	NIRF Coordinator

xx. Teaching Learning Process

Teaching Learning Process	The teaching-learning process is student-centric activity and academic planning is done accordingly. The college emphasizes on enhancing involvement critical thinking and creativity among students by incorporating student-centric methods in the teaching-learning process. The College provides state of the art seminar halls and E-classrooms with infrastructure for ICT enabled teaching and learning. Experiential Learning: Industrial and field visits, Internships Problem Solving Approach: Assignments and tasks are given to the students to enhance their thinking ability. Integrative tools like Gnomio, MOODLE, Kahoot, Blog space are used by the faculties to conduct online quizzes and for giving assignments. Participative Learning: Students are encouraged to access the library. The Institute has established a digital library for the ease of the students. Well stored library with books, journals and magazines. This facility is a boon for any student willing to find a text or reference. Online resources are also provided through these libraries. The scope of learning widens giving students an education that is beyond the syllabus. Group Discussions and seminars are arranged. Project-based Learning: Project-based learning used to accelerate the learning process by getting students' involvement in finding technical solutions to the given problem statement
Curriculum and syllabus for each of the Programmes as approved by the University	Yes. https://dbatu.ac.in/syllabus-and-course-structure-for-b-tech-programs/

xxi. For each Post Graduate Courses give the following:

- Title of the Course:** 1. M.Tech in Electronics Engineering
2. M.Tech Mech-Prod Engineering

xxiii. Laboratory facilities exclusive to the Post Graduate Course: Available

Subject: Collaboration to offer Symbiosis Digital Academy- XT (SDA-XT) courses at your college

Dear Sir,

Greetings from Symbiosis Skills and Professional University (SSPU), Pune!

We are pleased to inform that we have decided to take Symbiosis Digital Academy XT (SDA-XT) program outside Pune District. The purpose of SDA-XT is to make graduates / graduating youth job ready in the technology sector. As a part of the project, we are offering project-based hands-on skill training to selected students and providing suitable placement opportunities.

As discussed, we would like to conduct training for up to 4 batches or 150 students at your college premise. We are keen to start the training as per the schedule given in the next page. It will be great to collaborate with you and offer training to your students as well as students of nearby colleges.

Enclosed is your consent form that will make this association formal.

Thank you and look forward to your approval.

Yours sincerely,

Mr. CP Ashok

Appreciation Letter

To,

The Principal,

KBP college of engineering, Satara.

Subject: Appreciation Letter for participating in CSR Training Program.

I am writing to express my sincere appreciation to Karmaveer Bhaurao Patil College of Engineering, Satara for participating in the CSR **placement-linked skill-based training programs in the information technology sector** which is implemented by Symbiosis Skills and Professional University with support of Capgemini Limited.

We have successfully started this training program at your college premises and launched two batches of Full Stack Java Developer course for final year students where we have done enrolment for 50+ students.

The purpose of the initiative is to bring best of training and placement opportunities to all deserving graduating students in interior regions of the state of Maharashtra.

I believe that these training initiatives will not only contribute to only personal and professional growth of the students but also enhance the reputation of KBP college as a progressive institution that prioritizes the holistic development of the students.

Once again, I extend my gratitude to the administration, TPO, faculty, and staff of KBP college of engineering for support given for implementing this training program.

Best Regards

CP Ashok
